

Dear Niagara College Soccer Alumni,

It's always a pleasure to see our soccer alumni at OCAA league games, post-game get-togethers, playing against you during the indoor season or have you join us for training on occasion. We are always happy when you make an appearance at a road game when we are near your hometown.

Many of you have noticed we made several enhancements to the program to provide a more professional, high-performance atmosphere for our student-athletes. These initiatives are over and above the standard college funded model:

- Strength and conditioning coach and related equipment for 10 months;
- Performance trackers and related software used during training and matches;
- Stationary field camera and 24' tripod, with yearly subscription;
- Off-season indoor league and weekly training;
- Expansion of pre-season experiences;
- Appropriate autumn weather clothing for players;
- Mental skills training;
- Academic coach.

I am reaching out to you today because we need your support to keep these initiatives going and continue improving the Niagara College soccer experience. I am asking you to become a financial supporter of the program by making a \$100.00 contribution by visiting <https://tinyurl.com/knightmsoc> and selecting "Niagara College Men's Soccer Supporter".

For your contribution you will receive:

- 2025 version of the Niagara College supporter toque and scarf;
- \$70.00 income tax receipt.

We hope you will consider this request to help us continue improving the soccer program that you helped build during your time at Niagara College. If you have any questions please feel free to email me at [fdechellis@niagaracollege.ca](mailto:fdechellis@niagaracollege.ca).

Thank you for your consideration.

Sincerely,

Frank DeChellis  
Head Coach
